

# 4 PILLARS

**Pillar One:** Sustaining the Quality of God's Water – Accessibility of cleans water, quality, and conservation of clean water sources.

**Pillar Two:** Keeping God's Environment Safe and Clean – How to address pollution concerns, electric vehicles, and engage in recycling.

**Pillar Three:** Protecting God's Land and Air – Educating every generation on Environmental Justice and informing the Church and communities about issues such as Deforestation, Brownfields, Water Conservation, and Climate Change.

**Pillar Four:** Inspiring Intergenerational Justice Action at all levels of the 2nd Episcopal District and throughout the AME Denomination and beyond, while working with elected officials in local, state, and national offices.

**BISHOP JAMES L. DAVIS**  
PRESIDING PRELATE

# CALENDAR CONT'D

## **March - Trash Recycling Program**

- Start a recycling program or increase an existing recycling program by number, trash loads.

## **April - Safe Water Testing Campaign (World Water Day March 22)**

- Research area agencies, schools, and organizations to provide free water testing kits.

## **May - Cluster Event for “Environmental Justice”**

- Plan a cluster group to host an educational forum on Environmental Justice and programs.

**BISHOP JAMES L. DAVIS**  
PRESIDING PRELATE

# CALENDAR

## **November - Meet and Organize an Environmental Justice Ministry**

- Encourage members to recycle, purchase hybrid/electric cars, pick up trash, and share the “EJ” video. Engage elected officials.

## **December - Light Bulb Change Campaign**

- Challenge the congregation to use fluorescent light (CFL) or light-emitting diode (LED) bulbs.

## **January - Preach it, print it, and teach “Environmental Justice”.**

## **February – EJ Community Outreach & Engagement**

- Join Green The Church Inc. – a national “EJ” non-profit

**BISHOP JAMES L. DAVIS**  
PRESIDING PRELATE
